Booking Form - Adult Groups

The Centre welcomes groups of any number by prior arrangement both in the Summer season and during the closed Winter months where possible. Cost per person is £3.00 (the concession rate). In the interests of economy, a minimum charge of £25 is made for groups of less than 9 for an evening visit.

It would be helpful for bookings to be placed at least two weeks in advance to ensure the appropriate volunteers are available, to ensure you get your preferred date and also in order not to clash with any other pre booked group.

Please complete and return the attached form to:
