CENTRE

Booking Form - School/Youth Groups

The Centre welcomes groups from schools or organisations by prior arrangement both in the Summer season and during the closed Winter months (where possible) at a cost of £1 per child and £2 per adult.

It would be helpful for bookings to be placed at least two weeks in advance to ensure the appropriate volunteers are available and also to ensure you get your preferred date and do not clash with any other pre booked group.

Please complete and return the attached form to:
